Meeting of the alliances

Speaker(s): Phil Baty; Joël Mesot ; Eng Chye Tan ; Feridun Hamdullahpur ; Dawn Freshwater ; Anton Muscatelli ; Vicki Thomson ; Kurt Deketelaere ; Gilles Patry ; Abel Olayinka ; Jean Chambaz ; Brian Schmidt ; Hironori Kasahara ; Viola Vogel

Allowing talent to thrive: how do we create the conditions for creative researchers to realise their full potential and make the next big breakthrough?

A special roundtable debate, featuring the leaders of the world's leading research-intensive universities and their representative bodies.
